

A MESSAGE FROM OUR EXECUTIVE DIRECTOR LEADING WITH FAITH. SERVING WITH PURPOSE.

Greetings CBCC Family,

As we step into the spring season, we do so with a deep sense of gratitude and appreciation for the relationships that continue to strengthen our work. This time of year represents growth, renewal, and the power of coming together with intention.

Over the past several months, we have been focused on cultivating and strengthening meaningful partnerships within our community. Collaborations with organizations like Junior League of Columbia and Keller Williams Preferred NE have allowed us to expand our reach, enhance our programs, and better serve individuals and families in impactful ways. These partnerships reflect a shared commitment to service and a collective vision for a stronger, more connected community.

None of this work happens in isolation. It is made possible through the continued support of our partners, volunteers, and community members who show up, give back, and believe in our mission. As we continue to grow these relationships, we look forward to creating even more opportunities to serve, connect, and make a lasting difference together.

Visit www.columbiabethlehemcc.org or our Facebook page to learn more about our programs, partnerships, and ways to get involved.

With gratitude and appreciation,

Kara Simmons

Midlands Gives is a powerful one-day giving event that brings our community together to support local nonprofit organizations making a meaningful impact. This annual day of generosity provides an opportunity for supporters to invest in causes they care about and help organizations like ours continue to serve those in need. NOURISHING OUR COMMUNITY

Food insecurity continues to impact many individuals and families in our community, and we remain committed to addressing this need through intentional, consistent support. Through initiatives like our monthly Webb Bags of Love produce giveaway, we are able to provide fresh fruits and vegetables to those in need every third Tuesday from 11:00 a.m. to 1:00 p.m., ensuring ongoing access to nutritious food.

In addition, we are proud to continue our Summer Feeding Program in partnership with Francis Burns United Methodist Church, where we provide breakfast and lunch to children and families throughout the summer months. Together, these efforts allow us to meet both immediate needs and create a stronger foundation for long-term well-being in our community.
